Imagery and Personification

For each line in the poem, check off the sense or senses it appeals to. Draw a picture of the image you visualize when reading each line of Langston Hugh’s poem “April Rain Song.”

Line from poem	Sight	Sound	Taste	Touch	Smell	Picture
Let the rain kiss you						
Let the rain beat upon your head with silver liquid drops						
Let the rain sing you a lullaby						
The rain makes still pools on the sidewalk						
The rain makes running pools in the gutter						
The rain plays a little sleep song on our roof at night						

Students will be provided with a Venn diagram from the book listed below:
